

Since our inception in May of 2008, BGA Insurance Group has grown from founding members Joseph Bachmeier and Gregory Gudis, to over forty agents spread across three offices in PA & NJ, while also servicing DE and FL.

Every BGA Agent is extensively trained to assist your journey into, and through, retirement by utilizing top rated insurance carriers and delivering old-fashioned personalized service. In this fast-paced computer age we live in, your BGA Agent still makes house calls to ensure you fully understand your rights and entitlements.

### **Top Rated Companies**

**BGA Insurance Group** works only with the highest rated Insurance Carriers in the area to bring you products that fit your needs.

### **Our Mission**

The Mission of BGA Insurance Group is to assist Seniors and their families plan their Healthcare, Long-Term Care, Final Expenses and Financial Security when approaching, and during, retirement.

### **Our Promise**

We are licensed Insurance Agents in PA, NJ, DE, NC, SC, and FL. We are courteous and patient; we are committed to our clients from the first conversation to our annual reviews of their plans.

### **Friendly Medicare Agents**

The **Medicare Annual Enrollment** period runs from October 15th to December 7th, 2019. At BGA Insurance Group, we take the time to understand your needs. We still make old-fashioned house calls! If you find yourself confused by Medicare plan options, please give us a call. You can schedule a **FREE consultation** with one of our licensed agents. Many seniors are paying too much for health insurance and don't even know it. We can help walk you through your options, making it a **stress-free** enrollment period!

## Services We Provide

### Health Care

Agents from BGA Insurance Group will sit down with you in your home, our office or even a local coffee shop to give you a brief education on the healthcare system. We will explain what the different options are to protect yourself and make the proper recommendations for your plan. □

### Long-Term Care

“70% of people turning age 65 can expect to use some form of long-term-care” (US Dept of Health and Human Services). Let BGA help you create a plan to deal with how and where to receive this care. Do you want to recover in your home or a nursing home? Is long-term-care insurance the answer? Is it affordable? We have the answers.

### Life Insurance

Is your life insurance keeping up with your life? BGA will review your current plan or help you create one. Have you planned for final expenses? Are you still paying premiums on old policies? Do you need insurance but are afraid you may not qualify? We can help! □

### Retirement Planning

Retirement in America is changing. Pensions are disappearing, Healthcare costs are high, the markets are up and down, and we are living longer which means more years of retirement. Whether you are still working or already in retirement, meet with a BGA Agent to learn how to secure your financial future.
